### OTHER FABRICS

Industrial elastic (latex free).

### USE

It is recommended to use the product only once time, longer use or more than one use will minimize the functions which it has been manufactured for. For wearing, you should be careful not to stretch it more than the product allows as there is a risk of breaking the tissue.

### STORAGE

Keep it in its original packaging and in dry areas at temperatures between 10°C and 30°C. Do not expose to direct sunlight.

### OTHER KEY POINTS

Embossed material, waterproof, hypoallergenic, odourless, extra strength.
